(Before Dr. Renato de Noronha, Hon'ble Presiding Officer)

Application No.: LCC/3/82

1. Mr. Rohidas R. Naik — Applicant

V/s.

1. Shri Pravinkumar S. Gosalia, — Opponents
Mg. Director

2. Shri Vinod S. Gosalia, Director

3. M/s. S. Kantilal & Co. Pvt. Ltd.

Applicant represented by Adv. F. D'Mello, and Shri P. Ghodge, President of The Goa Shops and Industrial Workers' Union.

Opponent represented by Shri R. Desai, Labour Advisor.

Panaji, Dated: 26-5-1984

AWARD

In this application filed by the above applicant against the above Opponent under Section 33C(2) of the I.D.A., 1947, in short the Act, it is prayed that the Opponents be directed to pay him Rs. 15,300-35 of his wages from December, 1980 to January, 1982, as per the details shown in the annexure.

2. It is stated in the application that the applicant was employed with the Opponents on 1-12-1956 as Accounts Clerk at the Head Office, at Margao, with the initial monthly salary of Rs. 65/- which, later, was increased to Rs. 1,326/30. He has approached the Management to get his salary dues, but with no result.

3. About two months after filing of the above application, the applicant filed an affidavit before the Court, with a copy to the Opponent, stating therein that his salary for the months of February and March, 1982, amounting to Rs. 2,652-60 had fallen due, which he now has also claimed.

4. The Opponents, in their written statement, raised the objection regarding the impleading of Shri Pravinkumar Gosalia and Shri Vinod S. Gosalia, in their individual capacity, as Opponents in the proceedings, stating that the applicant was in the employment of the Company, who is the employer and the sole responsible for the purpose of law and not the Directors, in their individual capacity.

On the merits, it is stated that the Company, since 1973-74, has been facing difficulties in its business and in the last 4 years, an acute financial crisis. The workers were paid their wages, although with delay. A meeting was called and the workmen employed in the Mines agreed to give production at a certain rate per month, based on which the Opponents agreed to effect payment linked with production to the workmen employed in the Mines. Unless production was made by the workers in the Mines, there would be no effective work to perform in their day to day activities. On account of the failure on the part of the

workers to give any production in the month of December 1980, the employees in the Head Office were considered as on lay-off without wages, which position was explained to the applicant and others. Since the applicant is to be considered as on lay-off and did not perform any work after resuming duties, he is not entitled to any wages, as claimed in the application.

5. Following issues were framed by the Court:

"1. Whether the applicant proves that he is a workman within the meaning of Section 33C(2) of the I.D.A., 1947, briefly called the Act?

2. Whether the applicant proves that he is entitled to claim from the opponent Rs. 15,300-35 as his salary dues from December, 1980, to January, 1982, as per the details shown in the annexure to the application?

3. Whether the applicant proves that the opponents two and three, as Managing Directors of Opponent No. 1, are also liable to pay the dues claimed by him?

4. Whether the opponents prove that the applicant is to be considered as in lay off without wages during the above mentioned period, on account of the Section of the workmen on mines not performing any work after resuming duty?

5. Whether the opponents prove that during the said period the applicant has not performed any duties, and, consequently, is not entitled to any wages?"

6. Issue No. 1 was not pressed by the Ld. Rep. of the Opponents and hence, it is to be deemed as dropped. On the other issues, both the parties' rep. led their evidence. The applicant got himself examined and the Opponent's rep. examined Shri Vinod S. Gosalia, Director of M/s. S. Kantilal and Co. Pvt. Ltd.

7. I shall take up first issue No. 3 regarding liability of the Managing Directors, of the Company, in their individual capacity, to pay the dues of the applicant.

It is an admitted fact that the employer of the applicant was the Company, M/s. S. Kantilal & Co. Pvt. Ltd., and not its Directors in their individual capacity and, therefore, the said Directors in their individual capacity cannot be held liable to pay to the applicant whatever amounts are due to him in connection with the employment as, in the eyes of law, the Company is a separate entity, distinct from its members. Consequently, the Company alone can be held responsible for whatever dues are claimed by the applicant in connection with his employment in the Company. I, therefore, direct that the names of Shri Pravinkumar S. Gosalia and Shri Vinod S. Gosalia be deleted from the proceedings as Opponents.

8. Coming now to issue No. 2:

The applicant in his statement has confirmed the contents of his application and added that, after the filing of the application, he has been paid the balance salary of December 1980, full salary of January and February 1981 and Rs. 200/- against the salary of March 1981.

In his cross, he has admitted that the purchase of ore by the Company from independent Mine Owners went on gradually decreasing and virtually came to a standstill in 1980. He has further admitted that, except for the last 6 to 7 years, the Company used to pay their wages in time. He has denied the knowledge of the meeting alleged to be held by the Company and also that the payment of their wages was linked with the production in the Mines.

9. Shri Vinod Gosalia has stated, in short, that around 1971-72, the export of ore by the Company stopped, due to financial difficulties and labour problems. Before the stoppage, the Company had about 80 employees in the Mines and Head Office which are now reduced to 2 or 3. Most of them resigned and left the Company S. Kantilal, which have not produced ore in the Mines for more than 10 years. The Mines of this Company are kept working by raising contractors. There was a dispute between the Management and the workers employed in the Mines from 1980. This dispute was for not getting their co-operation in production activity. Since the workers were not working, the Company decided to lay them off. The Head Office staff was also told by the Management that, since there was no production in Mines, there was no money to pay their wages and so they too were laid off.

In his cross, he had admitted that the workers employed were directly employed by the Company and not by the Directors. That S. Kantilal and Shantilal Khushaldas are sister concerns, both functioning in the same premises and the employees of one company were transferable to another with continuity of service. He did not issue any notice of lay off to the workers at the Head Office. The applicant and others were paid their wages according to their pay scale, whether or not they did any work.

10. This is all the evidence led by the parties.

The claim of Rs. 15,300-35 plus Rs. 2,652-60 of his salary till March 1982, totalling Rs. 17,952-95 has not been denied by the Opponent, whose only contention is that, due to their financial difficulties, they could not effect payment to the applicant. The applicant has stated in his statement that, after the filing of the application, he has received the balance of salary of December 1980 equivalent to Rs. 200/-, full salary of January and February 1981, at the rate of Rs. 1,132-20 and Rs. 200/- against the salary of March 1981 totalling Rs. 2,664-40. Hence, deducting Rs. 2,664-40 from Rs. 17,952-95, the applicant is entitled to receive from the Opponents Rs. 15,288-55 of his salary dues till March, 1982.

11. Considering now issue No. 4, regarding lay-off.

Shri Vinod S. Gosalia has stated in his cross examination that he did not issue any notice of lay off to the workers at the Head Office. Even assuming for the sake of arguments that, under the Standing Orders of the Company, the employer was entitled to lay-off the workers, in the absence of any such notice there could not be any lay-off.

The contention of the employer that, as the employees in the Mines failed to give any production and so the employees at the Head Office had no effective work to perform, they were considered as on lay off without wages cannot be accepted. It is to be noted that the applicant's work was not linked with production and even assuming that there was no work for the employees at the Head Office for non production in the Mines, which fact, otherwise, is denied by the applicant, the employer, if it did not want to pay the salary of the employees in future could have retrenched them, after complying with the legal formalities, which he did not do.

12. In the premises above, I pass the following order:

ORDER

The names of the Directors, Shri Pravinkumar S. Gosalia and Shri Vinod S. Gosalia as Opponents in this application should be deleted. The employer company is directed to pay to the applicant the total amount of Rs. 15,288/55 as his wages till March 1982, with 12 p. c. interest till the date of effective payment. Costs of Rs. 100/- to be paid by the employer to the applicant.
